WHY CANON UPVC & DOUBLE GLAZING

**UPVC Is a
popular choice
for double glazing.
It is durable and
highly Insulative.**

By spending approximately 5% extra* of the house value you will increase the value of Your house & save on your energy bill on top of the below benefits.

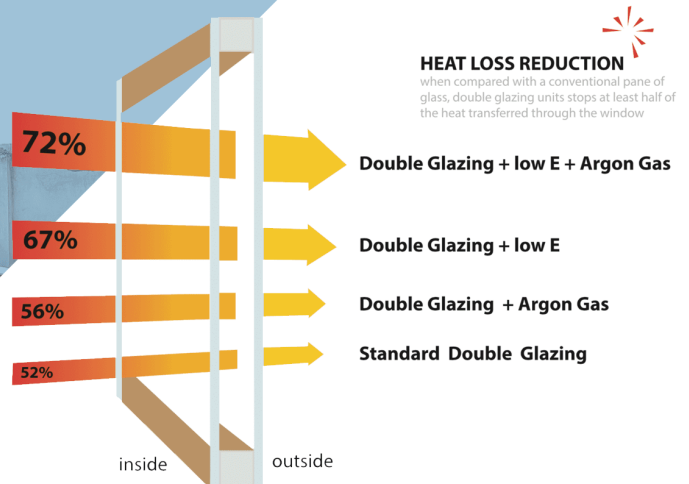

- ☑ **Elegance and Design**
- ☑ **Maintenance free**
- ☑ **Noise reduction**
- ☑ **Energy efficient**
- ☑ **High security with our 4 point locking system**
- ☑ **Fire resistant**
- ☑ **Higher resale value**
- ☑ **100% Australian made & Owned**
- ☑ **Available in a range of colours including our popular wood look finish**
- ☑ **Tested to Australian Standards**

So whatever your choice, you can be sure each window will keep the energy in And burglars out.
